X Quick and Easy to Fit

Features

- Two or Four Fans per Tray
- Quick and Easy to Fit
- Noise Level 27-28 dB
- Available in Black and Grey
- Supplied with Mains Lead

Product Overview

These units fit into the roof section of the Excel floor standing and Equipment Series cabinets. The two way version also fits into the roof section of Excel wall mounted enclosures. Consists of two or four 230V, 50Hz fans. The Fan trays are supplied with either a BS1363 (UK) or Schuko 3m C13 power leads. *See Part Number tables.* The C13 power leads allow for easy installation and may be replaced to suit the specific power connection. 2 Way Fan Trays are only available for the WR series.

- Airflow 78 - 84 m³/hour per fan
