

# H5M Camera Line

2 MP 5 MP

## Outdoor Dome Camera

The Avigilon H5M camera provides a cost-effective solution for budget-conscious video security projects and is beneficial for sites that require a small footprint camera for outdoor use. The H5M camera can handle tough environmental conditions while offering advanced AI technology for faster response times and simple installation — all backed by a 5-year warranty.

### Features

 **WEATHER & IMPACT RATED**  
IP66 weather rating and IK08 impact rating for vandal resistance

 **MADE TO TRUST**  
We are proud to be a company that manufactures high quality products which our global customers can rely on

 **5-YEAR WARRANTY**  
Avigilon stands behind the quality of this product with a 5-year, industry-leading warranty

 **UMD TECHNOLOGY**  
Uses AI to continuously learn what typical activity in a scene looks like and then detect and flag unusual motion events for review

 **ONVIF® COMPLIANT**  
Built on an open platform to allow integration with other security solutions

 **LIGHTCATCHER™ TECHNOLOGY**  
Exceptional detail in areas with poor quality (or low) lighting

 **H.264 AND H.265 HDSM SMARTCODEC™ TECHNOLOGIES**  
Combines our newest compression technologies to enhance bandwidth and storage savings

 **WIDE DYNAMIC RANGE**  
Capture details in scenes with both very bright and dark areas
