

## Capable and Affordable Performance, Built for Deployment Versatility

The VSS-M1 offers video grade SATA storage and an Intel® Core™ processor for fast and stable performance. The 9th generation processor provides nearly 20 percent higher computing potential than its previous 8th generation processor counterparts.

### Keep Your Hard Drive

With Video Storage Solutions' Keep Your Hard Drive warranty, your sensitive data and hard drive never leave your control. It also helps you comply with current data privacy regulations and internal company policies by ensuring sensitive information on your hard drive is not compromised, mitigating the risk of expensive civil litigation if confidential customer data or intellectual property were to be exposed.
