## VERSATILE SECURITY CAMERA WITH SMART ANALYTICS POWERED BY MOTOROLA SOLUTIONS

The Sarix® Professional 4 Series dome camera is a versatile, cost-effective security solution with enhanced imaging capabilities. The camera can produce high-quality video with sharp details, even in low-light conditions. It is also resistant to vandalism and harsh weather, making it an optimal choice for various industries and complex environments. The modular design of the camera makes it extremely easy to deploy and configure. Equipped with Pelco Smart Analytics, powered by Motorola Solutions, this camera helps to detect critical events and increase your security teams' productivity by expediting real-time responses and forensic investigations.

### ENHANCED IMAGING QUALITY

Achieves high-quality video with sharp details. True WDR allows the camera to efficiently capture details in both bright and dark areas of a scene.

### ROBUST MODULAR DESIGN

Simple and intuitive to install so that you can be up and running in minutes.

### PELCO SMART ANALYTICS, POWERED BY MOTOROLA SOLUTIONS

Detects and classifies more objects for greater accuracy and faster responses, even in crowded scenes.

### ONVIF® COMPLIANT

ONVIF Profile S, G, T and M compliance allows for easy integration with existing ONVIF infrastructures. Integrated with Pelco VideoXpert and other leading video management systems.

### WEATHER & IMPACT RATED

IP66/IP67 and Type 4X weather rating and IK10 impact rating for vandal resistance.

### 5-YEAR INDUSTRY-LEADING WARRANTY

Assembled in manufacturing facilities in North America, with a five-year warranty.
