Cantilever Shelf

Cantilever shelves are designed to universally fit 19" wall mount or floor standing cabinets. They are a perfect solution for storing non-rack mount equipment or any peripherals in your rack or cabinet. The perforated design aids airflow and provides the ability for equipment to be anchored on the shelf.

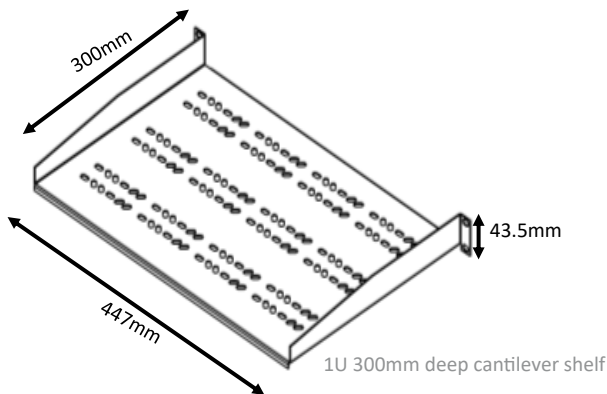

Available in two sizes: 1U x 300mm and 2U x 400mm

Compatible with

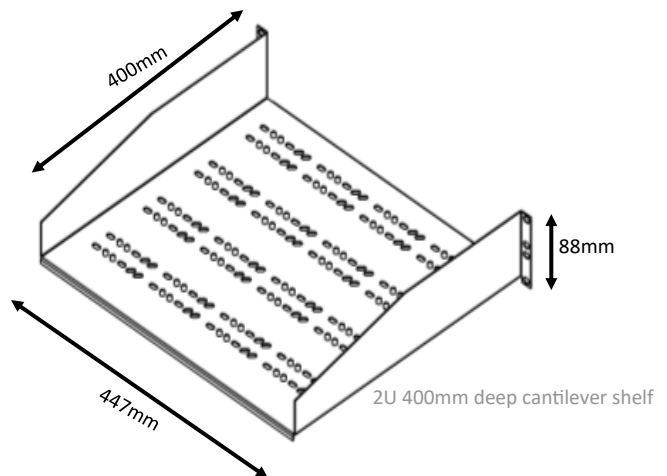

USpace 4210, USpace 5210, EDGE and ColdLogik Products
