# Data Sheet

Cable Tidy Large

USpace cable tidy rings are a quick, neat and versatile way to retain cabling in multiple locations within the rack space. Each ring can be screw fixed into position using the M6 fasteners supplied within the kit.

The secure clip-locking facility ensures cables are retained quickly and efficiently, but it also enables the ring to be easily opened should additional cabling be required after initial installation.

Typical mounting details shown onto 19" rails and cable trays.

Compatible with

USpace 5210, 4210, EDGE. Most EIA 310 compliant racks.

Specification	
Part number	CTL-AA
Description	Cable tidy (large) kit
Screw head	Pozi pan head
Fixing sizes	1 x M6 x 16mm screw, 1 x M6 serrated nut, 1 x M6 cage nut.
Cable tidy external dimensions approx.	120mm x 28mm x 60mm
Cable tidy internal dimensions approx.	105mm x 45mm
Colour	Grey
Material	Polypropylene
Pack quantity	1
Weight	50g
